Work in a Salon: The beauty industry is always busy and like a lot of industries at the moment, Beauty Salons just can't get enough good staff who can deliver great services. With the right skills, you can fill the gap and earn a great living doing what you love.

Start a Salon: If you're up for an adventure, then starting your own stand alone Beauty Salon may be for you. There are more upfront costs and commitments, but the rewards can be enormous. Your first step is gaining the right skills!

Skills You Will Attain:

Brow Lamination:

You will be given written instructions and video tutorials on the step-by-step process of brow lamination.

Our video tutorials include models with full brows, sparse brows, uneven brows and Asian brows. They all need to be treated a little differently.

Brow Shapes and Mapping:

Eyebrow shaping can enhance the shape of your face and draw attention to your eyes.

By shaping your eyebrows, you can create a more symmetrical look and make your eyes appear larger. This can draw attention to your best features.

Brow Preparation and Aftercare:

Preparation for brow lamination is just as important for the brow technician as it is for the client to ensure a thorough service, great results and client retention.

To ensure that your clients' brows stay clean and intact after the brow lamination service it is imperative that you inform your clients of the best advice for aftercare.

This can be done verbally and enforced with a take home card for them to refer to.

WHO IS THIS FOR?

You May Be Asking These Questions...

Can I Start A Business?

This course is best suited for someone looking to start a business in Brow Lamination, whether at home or in another setting, providing services to their own clients.

At the end of the course, you will have professional Brow Lamination skills that you can earn a living from by providing services in Brow Lamination.

If you are purchasing our product kit, you will have all of the products and equipment you need to perform services on your own - all of our products are professional grade salon products and brands.

We have been delivering skills courses in beauty and hair for 15 years now, and by far the most popular option for our students is to start their own business.

Many work from home around their other commitments and some start stand alone salons. We even have students who work in the industry doing mobile services. It's entirely up to you and what suits your lifestyle.

From our experience with thousands of students, starting a business gives you the most freedom and flexibility, while maximizing your income.

Can I Get A Job?

As there is no licensing or formal education requirements in New Zealand*, you can get a job working in a salon with our certificate.

But, like any job, it's going to depend on your skill level and whether a particular salon / business owner decides you are a fit for their business. We obviously cannot guarantee a job after completing our courses.

Salons differ though and there are many that only hire people with accredited qualifications or apprenticeships.

And some will only let you do an apprenticeship with them as apprentices are on much lower wages.

So if you are looking to work at a particular place, then ask them first if our certificate will be enough or discuss it further with our Student Enrolment Advisers.

QUALIFICATIONS

The Certificate You Receive

Certificate of Completion

On successful completion of our Brow Lamination Certificate Course, you will receive a certificate of completion.

This is all you need to help you demonstrate your skills, work in the industry, get insurance or start a business.

You do not need an accredited training program or apprenticeship to provide nail services in New Zealand.

Licensing & Regulatory Information

Our certificate is legally valid in Australia and New Zealand (and many other countries) to allow you to set up your own business or start working in a salon.

Brow lamination is a skill acquired by getting beauty therapist training in the country. As per the government's career site, there are no entry requirements for practising brow lamination:

There are no specific requirements to become a beauty therapist. However, a certificate or diploma in beauty therapy is recommended.

More information is here: [https://www.careers.govt.nz/jobs-database/retail-and-personal-services/hair-beauty/beauty-therapist/how-to-enter-the-job#:~:text=Entry%20requirements,Beauty%20Therapy%20\(Level%204\).](https://www.careers.govt.nz/jobs-database/retail-and-personal-services/hair-beauty/beauty-therapist/how-to-enter-the-job#:~:text=Entry%20requirements,Beauty%20Therapy%20(Level%204).)

However, if you're outside of New Zealand or Australia, we'd recommend checking the regulations within your local area to see if different qualifications or licenses are required.

This means that many other training avenues have opened up for those interested in entering the beauty industry at a fraction of the price and with far less time restraints than traditional training.

So just to clarify, if you are in a country like New Zealand, where there is no licensing requirement our Certificate is all you need to work in, or own and run a salon.
